Course-Sharing Builds Strong Partnerships

Manufacturers can use the BlueVolt Publisher Program to build brand awareness, strong partnerships, and drive revenue.

▶ **Manufacturers reported up to 40% revenue growth** as a result of product courses being completed.

▶ **Track course completions** to keep your strategies on track.

▶ **Take advantage of the Publisher Program** to leverage your partner relationships and discover the power of the BlueVolt network.

SETUP AND ADMINISTRATION IS EASY:

- Publish your courses in less than 10 minutes.

- Scheduled reporting allows you to track engagement down to the individual learner.

- BlueVolt's team is ready to help get your courses shared and announced to your partners.
