### **Dear Matt Stager Scholarship Committee:**

My name is Kaitlyn Mc Queary, and I would first like to start off by thanking the selection committee for selecting me to receive the Matt Stager Memorial Scholarship.

I graduated from Oxford High School in Oxford, Alabama with an Honors diploma. I was ranked 21 out of 256 students. I was an active member if the National Honors Society, HOSA, Focus, and Key Club. I was on the high school dance line all four years. My junior year I was chosen co-captain, and in my senior year I was honored to received the title of Captain of the Golden Girls. Dancing is my pride and joy.

In the fall, I am attending Jacksonville State University in Jacksonville, Alabama. There I plan to earn a Bachelor's of Science in Nursing. After graduation from JSU, I plan to continue my education to obtain my Master's in nursing and eventually receive my license as a nurse practitioner and focus on pediatrics.

I have always been taught that you should give back to your community. I hope when these plans are fulfilled that I can be a positive influence and role model in someone's life

Thank you again for this wonderful opportunity,

Kaitlyn McQueary
