Dear Matt Stager Scholarship Committee:

I am Casey Underwood and I graduated number one in my class at Chesapeake High School. I have been involved with soccer, basketball, and softball throughout my high school experience. I taught myself to play guitar and have always have had a strong interest in music. I was able to play in a band for four years. We performed at many functions which raised money to help causes such as breast cancer awareness, and the children at Shriners Hospital.

I also have a strong interest in helping people. This is why I will attend Marshall University with a major in Dietetic and a minor in Sociology. I hope to learn as much as I can about nutrition with the hope that I can use this information to reach out to people with eating disorders and other dietary needs. I want to use my education to help others. College will be a brand new experience and I am looking forward to the challenge.

Thank you,

Casey Underwood
